AL-16-001-1534 Herbert Response.docx

I had a minor edit, which is taking Monica's name out as the POC and adding mine in. This is standard for most letters going out and HQ OCIR would have flagged that. Thanks everyone for your work on this, I will keep you posted on when it goes out.

Chris,

Were there any hand-written edits resulting from the internal routing for review? If so, I would need to see those to make sure a clean copy incorporates them.

Thanks,

Claudia

I received the response letter for Gov. Herbert, thanks for a quick turnaround. Can someone send me an electronic version please? I need a clean one for Shaun to sign. Thanks.
